Welcome!

The Town of Davie and the Central Broward Water Control District welcomes you to participate in the 13th Annual Waterway Clean-up, a public awareness campaign to keep our waterways clean.

This event will take place on April 18, 2009, from 8:30 a.m. to 11:30 a.m. along the C-11 Canal, between State Road 7 and Flamingo Road, in Davie.

What started as a group of volunteers gathering on a Saturday every year has grown into a major event involving hundreds of volunteers.

We are looking for groups, families, or individual residents to help clean and pick up trash from the canal banks. We are also looking for residents with small boats to clean the canal waters. Whether you are a non-profit group or a local family, own a boat or not, you can play a role in helping us clean Davie's waterway.

In return for your efforts, you can receive community service credit for time spent cleaning, a free T-shirt or hat, and a ticket to attend the "Trash Splash" pool party, held at Pine Island Park Pool, located at 3800 SW 92nd Ave, Davie.

To participate, complete the attached form and mail it back to Bonnie Stafiej, Town of Davie Special Projects Director no later than April 15, 2009. All groups will check in at Town Hall, 6591 Orange Drive beginning at 8:00 a.m. Be sure to review the clean-up rules with your family or group before arriving.

When you have finished your assigned area, please fill out your group questionnaire and return it with your reach stick to the registration tent and go right over to the "Trash Splash" party!!

Application deadline is April 15, 2009
